PLAS - O - GRAM <97-17> Office of Counsel PLAS Program Codes

PLAS Mentors,

The DCMC Business Process Team (BPT) met and approved a request from the Office of General Counsel for Legal PLAS Program Codes. The codes, titles, and definitions are listed below. These will be appearing in PLAS on 21 Dec 97. **PLAS Administrators** at CAOs with Office of Counsel personnel, please make sure Counsel folks are aware of these new codes. If your CAO has no Office of Counsel, hide these program codes.

Note: These codes are for use by Office of Counsel personnel only. Office of Counsel personnel must observe the following hierarchy in use of program codes. DoD codes take precedence over DCMC program codes.

1. Dod Programs – i.e. ACAT I codes
2. DCMC program codes – i.e. Performance Plan codes, Odds & Ends
3. Local program codes

Office of Counsel associates are reminded to charge to the direct process code supported. We would expect only a small portion of your time should appear under process 196, Other Legal.
